freiraum

Minimalismus ist Befreiung von Ballast. Durch Reduktion auf das Wesentliche entstehen Freiräume:

klare Gedanken,

neue Perspektiven,

lustvolles Leben.

freiraum – die Kollektion

minimalism is freedom of ballast.

By reducing of the essential, free spaces arise: clear thoughts, new perspectives, pleasurable life.

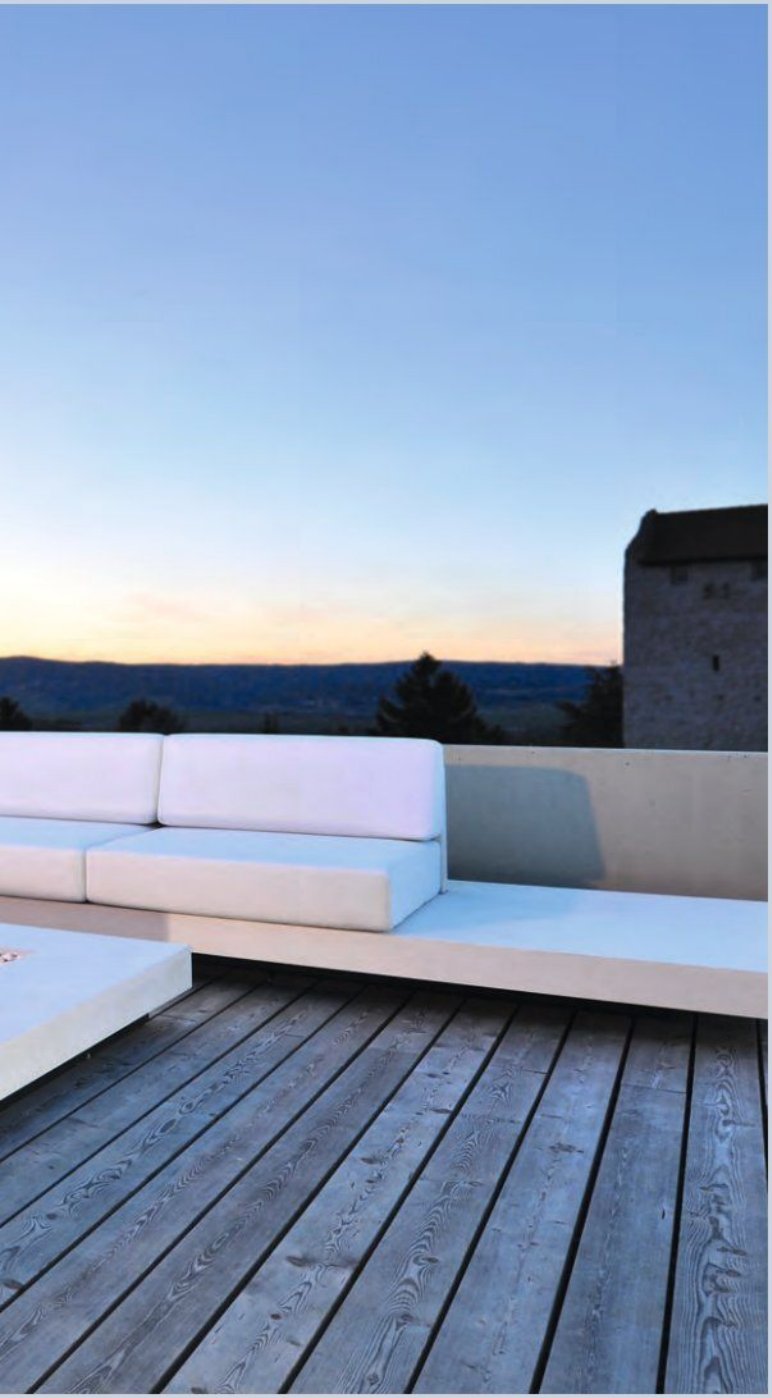

freiraum – the collection

El minimalismo es la liberación de lo superfluo.

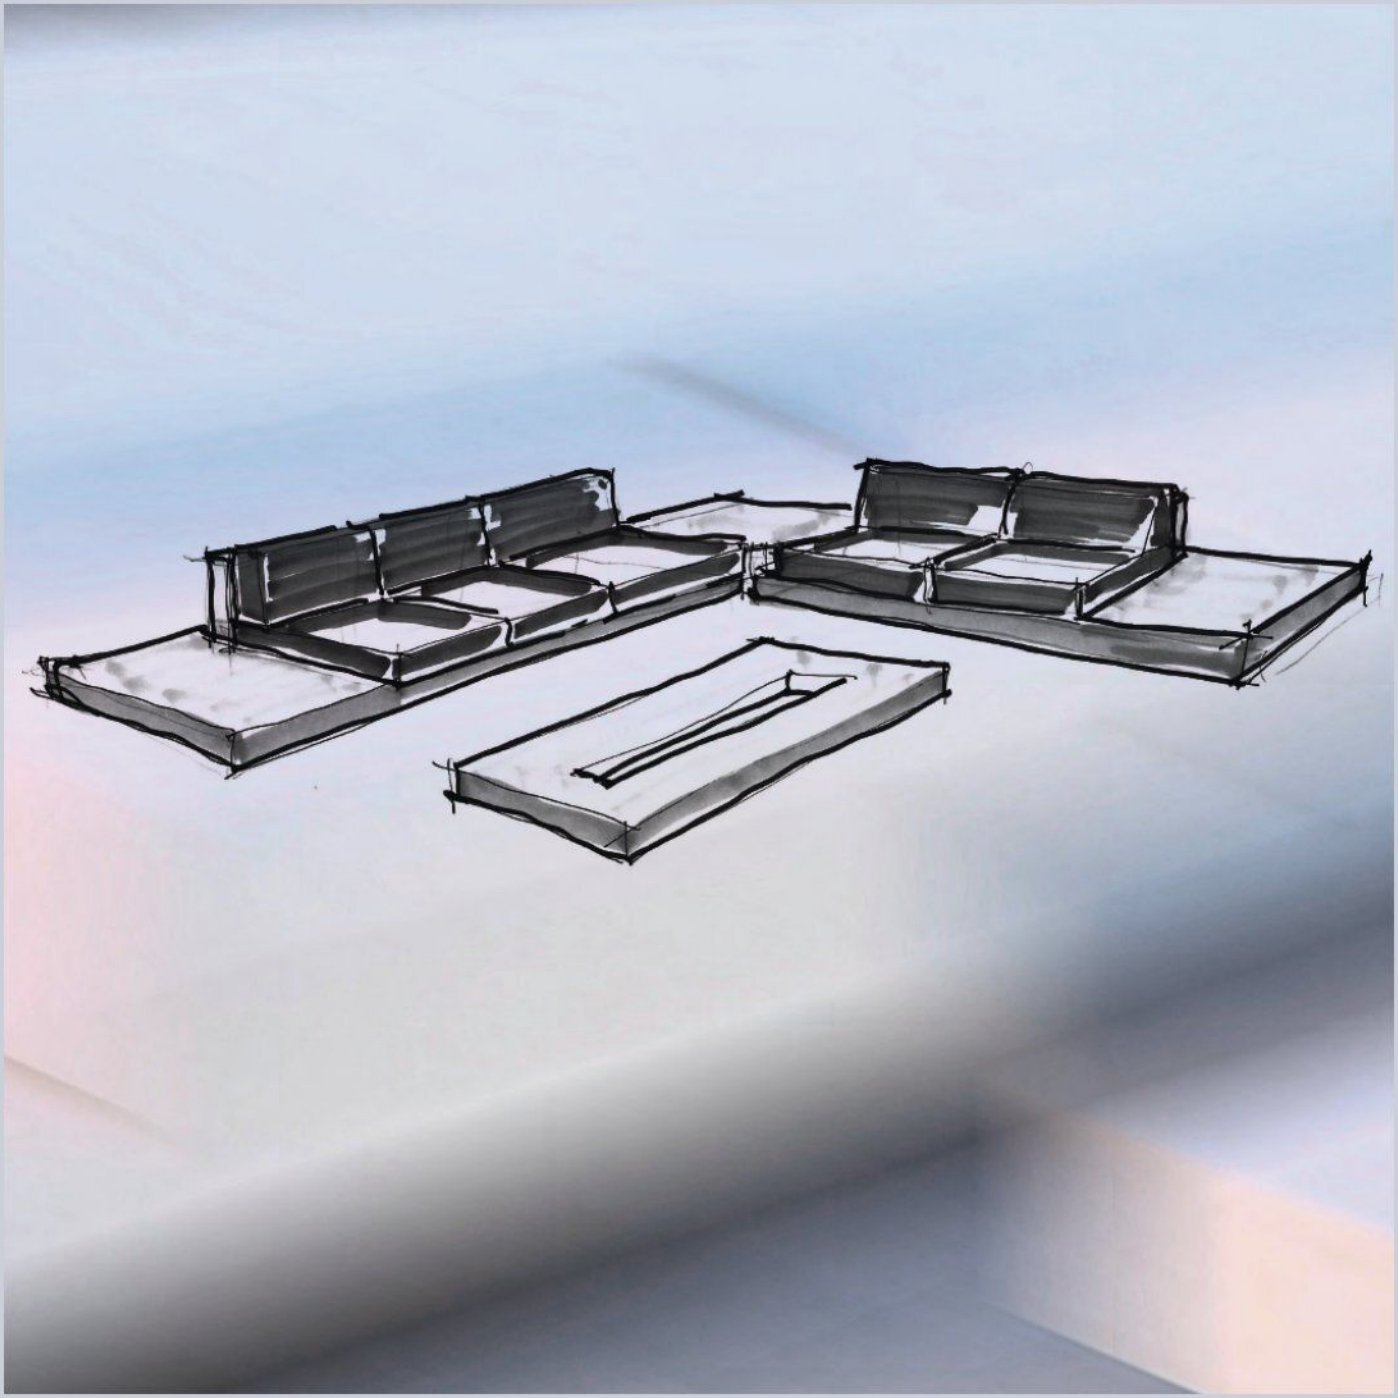

A través de la reducción a lo esencial emergen espacios libres: pensamientos claros, nuevas perspectivas, vida completa.
